### My Esteemed Teachers and Parents:

1. Do not judge me by the marks I get in my test but the efforts I made.
2. Help me learn, think and to judge for myself, not just memorize ready-made answers. Help me rather, to find the answers myself though it may be painful for both of us.
3. Do not ridicule me especially before my classmates. It hurts and it will turn me against you. One earnest and a kind word in private will be effective.

### My Esteemed Teachers and Parents:

1. Do not judge me by the marks I get in my test but the efforts I made.
2. Help me learn, think and to judge for myself, not just memorize ready-made answers. Help me rather, to find the answers myself though it may be painful for both of us.
3. Do not ridicule me especially before my classmates. It hurts and it will turn me against you. One earnest and a kind word in private will be effective.

### My Esteemed Teachers and Parents:

1. Do not judge me by the marks I get in my test but the efforts I made.
2. Help me learn, think and to judge for myself, not just memorize ready-made answers. Help me rather, to find the answers myself though it may be painful for both of us.
3. Do not ridicule me especially before my classmates. It hurts and it will turn me against you. One earnest and a kind word in private will be effective.

### My Esteemed Teachers and Parents:

1. Do not judge me by the marks I get in my test but the efforts I made.
2. Help me learn, think and to judge for myself, not just memorize ready-made answers. Help me rather, to find the answers myself though it may be painful for both of us.
3. Do not ridicule me especially before my classmates. It hurts and it will turn me against you. One earnest and a kind word in private will be effective.

### My Esteemed Teachers and Parents:

1. Do not judge me by the marks I get in my test but the efforts I made.
2. Help me learn, think and to judge for myself, not just memorize ready-made answers. Help me rather, to find the answers myself though it may be painful for both of us.
3. Do not ridicule me especially before my classmates. It hurts and it will turn me against you. One earnest and a kind word in private will be effective.
